This is a Lakes & Lancs SPOCO counting event

Well done all riders who managed to get to the event and give it their best. Every year seems to have its challenges and this year was no different, with three sets of roadworks to contend with and a blizzard to battle through, it was incredible we managed to run the event at all. We couldn't have done it without the huge support from family, friends and club members. We wish you all a great racing season ahead!
